## **6. LET IT SNOW:**

Oh the Revolution's not insightful, and some things they say are frightful

How'd they ever get a morning show? It just blows, it just blows, it just blows!

Jay Towers is busy nagging, and Rachel is still bragging.

And Mr. Wholesome's Hemorrhoids grow, it just blows, it just blows, it just blows!

When they finally say wake up, Grumwald hates booking guests for the show.

But if Galeman drinks a fifth, The Revolution's a mess and it shows!

While Jay is busy drinking, Three Hundred can't stop beating

And Rachel just wants to go. It just blows, it just blows, it just blows!

It just blows, it just blows, it just blows, it just blows, and blows

### **7. LAST CHRISTMAS:**

Last Christmas, we made dreams come true  
And we'll do it again w/letters from you (letters from you) This  
year we're spreading more cheer  
Let's make KISS-mas wish something special (special)

You've written and we reply  
We've heard some stories that really made us cry  
I tell you baby it sure makes life worth livin'  
To listen to KISS and hear everybody's givin'

**8. YOU'RE A FOUL ONE:** You're a strange one Mr. Wholesome.

You're a freaky, blue haired punk. When you're yappin' w/Jay & Rachael

Your breath smells like a skunk, Mr. Wholesome.

The 3 words The Revolution calls you are as follows and I quote,

"Stink... Stank... Stunk..."

**9. 12 DAYS OF CHRISTMAS:**

On the 12 Days of Christmas Cory & Debbie gave to me:

12 celebrity calls, 11 listeners, 10 of them they paid, 98 The Q,

8 whining sales people, 7 other stations they worked for,

6 of them went out of business. 5 days a week.

Deb w/the News, Bob w/Skywatch Traffic, Cory & Debbie.

**15. SAY MY NAME - DESTINY'S CHILD:** Scott & Todd, Scott & Todd. They're acting

kinda crazy. Joe Nolan is so lazy. Why are they so odd? Scott & Todd, Scott & Todd.

Everybody I know listens to The Big Show even though they blow.

**16. IT FEELS SO GOOD - SONIQUE:** They always wake me up when my morning's

down. They make me feel alive. I gotta get up now. Jay laughs thinks he's cool.

Rach hopes her kid's in school. Clark drops the ball a lot, they can...

Waking up is cool when The Revolution's up. Laughing all the way to school.

The Revolution keeps me alive. Waking up is hard to do and I hit snooze so much.

Laughing there, laying in bed. The Revolution's keeping me up, D-R-Q!
